Partners and Grapes Organic Wines Expands Reach with New Distribution Agreement in Athens, Georgia

Partners and Grapes, a leading producer of organic and vegan wines, is thrilled to announce a new distribution partnership with Leon Farmer & Company in Athens, Georgia. This agreement marks a significant milestone in Partners and Grapes' expansion strategy, bringing their exceptional wines to 27 new counties in Georgia.

"We are incredibly excited about our partnership with Leon Farmer & Company," said Mary Anna Ossa, Founder and Owner of Partners and Grapes. "This collaboration allows us to introduce our organic and vegan wines to a wider audience in Athens and northeast Georgia. We believe our commitment to sustainability and quality will resonate with the discerning consumers in this new market."

A company known for providing high-quality products to customers, Leon Farmer & Company shares Partners and Grapes' values of authenticity and excellence. As a leading distributor in Georgia and a company with industry expertise. It is the perfect partner for Partners and Grapes' growth.

Keep an eye out for upcoming announcements as we unveil new retailers and exciting events!
